

Guess the Picture

REMEMBER:

Make sure you are facing the class and they can see the picture **WHILST** you are drawing. This takes practice!

Game Objective: Pupils match meaning to words.

Game Type: Guessing Game

Classroom Organisation: Teams

Language Area: Vocabulary

Useful for: Revision, review, testing, memorizing vocabulary

1. Choose at least 5 words you would like to revise with your pupils (these can be from any unit they have done).
2. Divide your class into roughly 5 teams (depending on your class size this may vary) and indicate this on the board (see picture above).
3. On the board draw a picture slowly.
4. The team which can guess the picture before you finish drawing **WINS** the round and gets a point! (Be sure to complete the picture so the whole class can see!).
5. If you complete drawing the picture and **NOBODY** is able to guess, then there is no point!
6. To prepare for this game you can practice drawing the pictures for your proposed words before class.
7. You can get a pupil from each team to draw on the board. Make sure they draw **BIG** and **THEIR TEAM CANNOT GUESS THE PICTURE!**
