

The Watering - Can and The Seeds

**A Short Story for Beginner Readers
(Primary School Level)**

There is a blue watering - can in a garden.

It sees a seed.

It waters the seed.

**The seed grows.
What does it become?**

A sunflower!

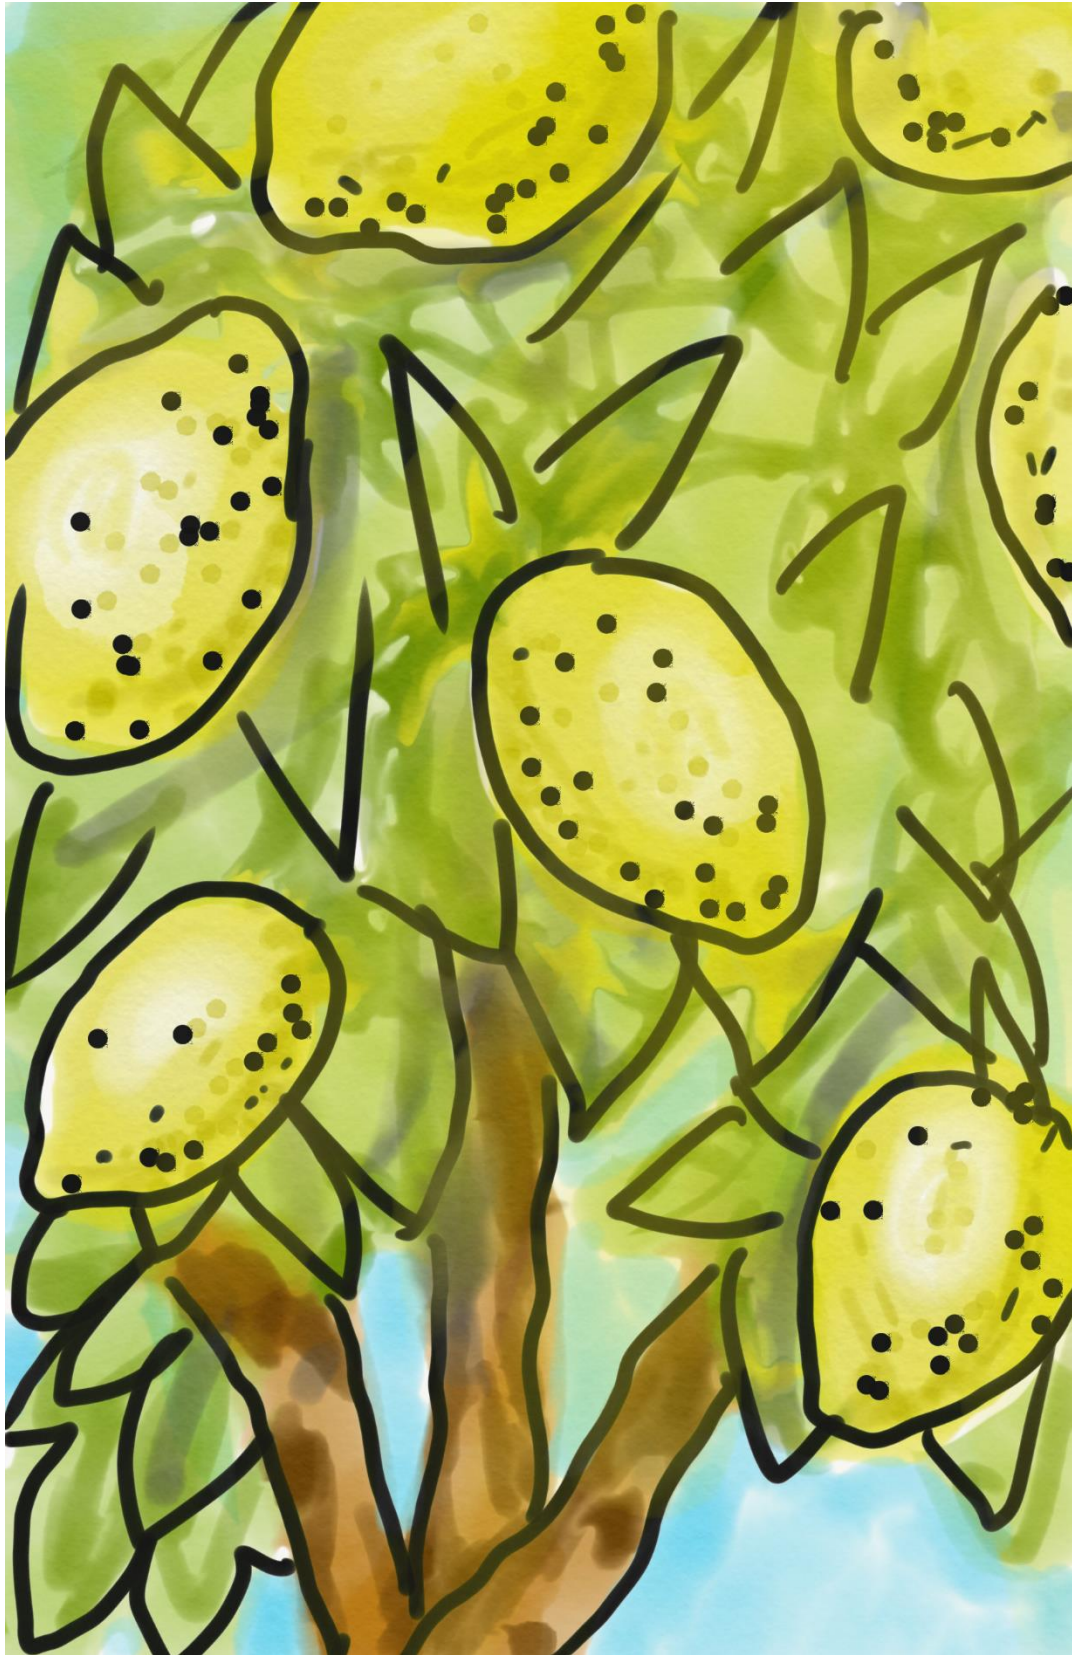

The blue watering - can sees another seed.

It waters the seed.

**The seed grows.
What does it become?**

A lemon tree!

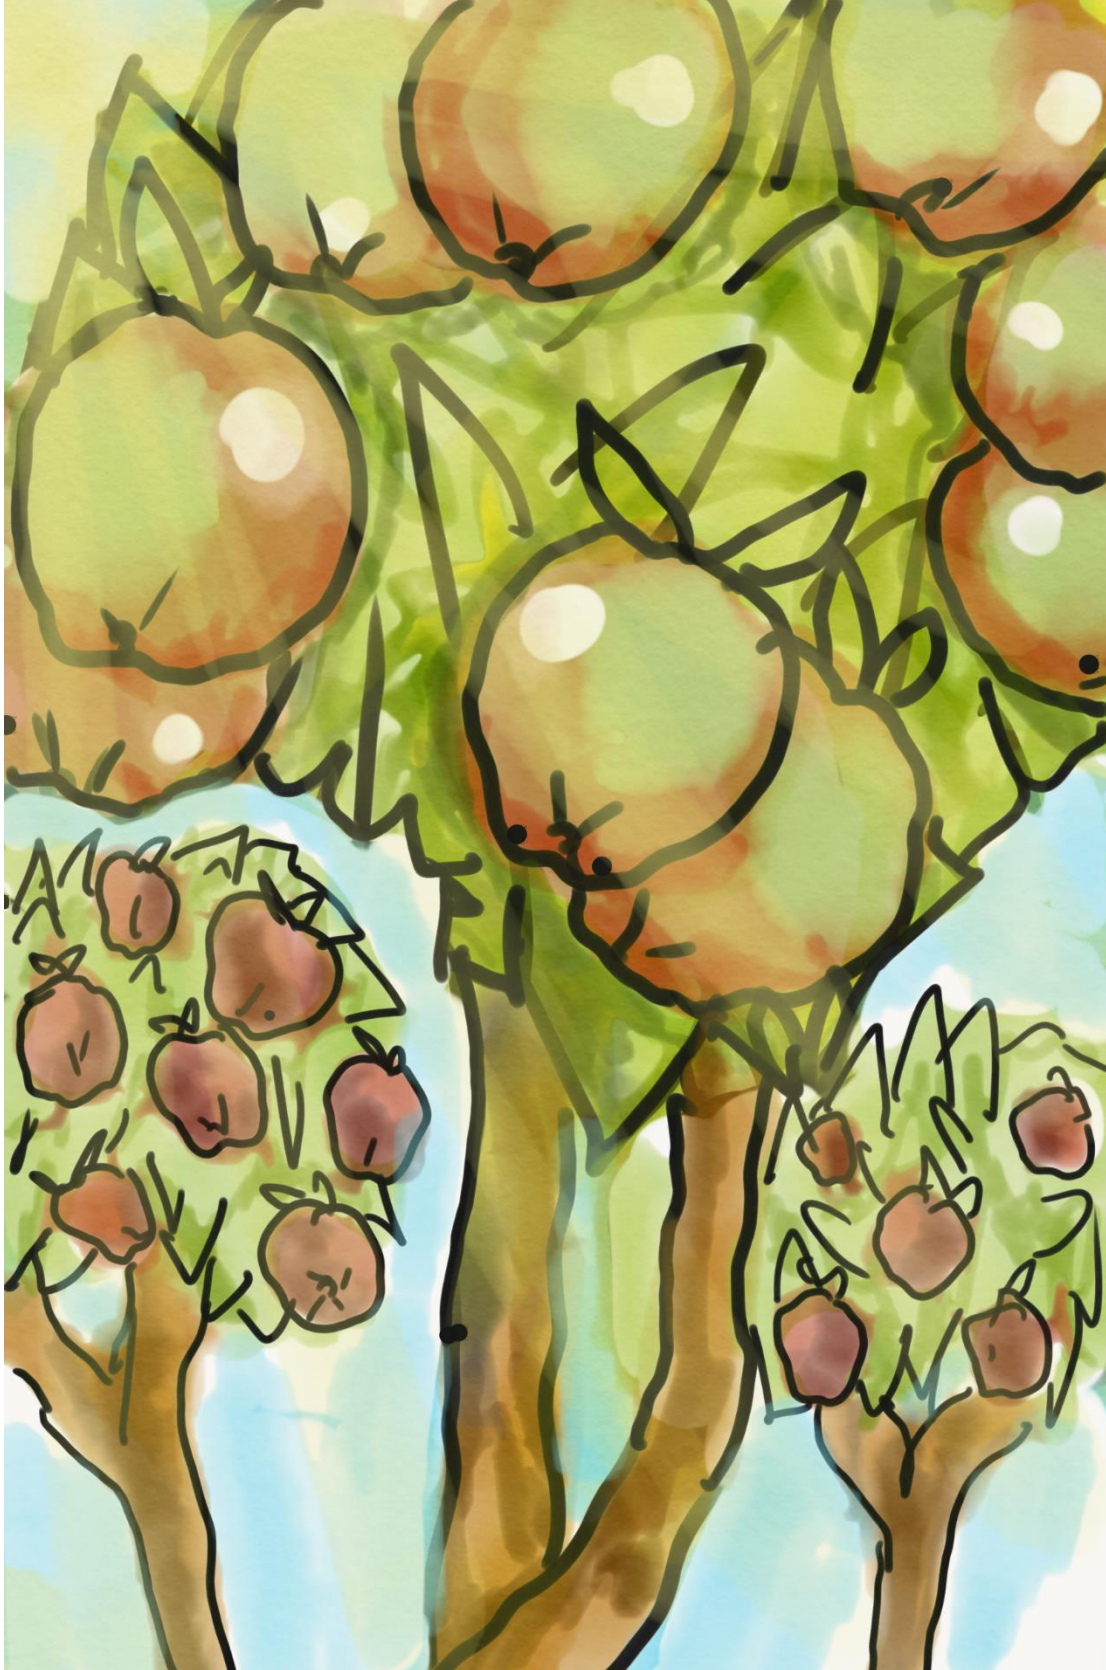

The blue watering - can sees some seeds.

It waters the seeds.

**The seeds grow.
What do they become?**

Apple trees!

The blue watering - can is in the garden again. Can you remember what grew?

The end
